Steigenberger Al Dau Beach Hotel's classy Dinner Invitation

Rolf D. Raima, Regional General Manager of the Steigenberger Al Dau Resort, Hurghada – one of the top destination resorts on the West Coast of the Red Sea - recently had the pleasure to host a casual dinner, bringing together the general managers of other 5 star properties in the region.

In all, twelve general managers of the Red Sea's most prestigious hotels attended this get-together, which saw the GMs exchange information and discuss industry trends in a casual atmosphere. All agreed that such dinners should continue in the future and to be held at the different hotels in rotation.

Dinner was served on the terrace of the Steigenberger Al Dau Beach Hotel's classy fine dining restaurant, Alexanders, which is located directly on the shores of the Red Sea and which formed the perfect frame for the occasion.
