

## PRESS INFORMATION

### New art gallery opens at the Steigenberger Al Dau Beach Hotel.

The Red Sea's Steigenberger Al Dau Beach Hotel is proud to be cooperating with Hurghada-based artist Karin Ely and her "Style & Steel" gallery.

The Steigenberger Al Dau Beach Hotel is proud to be cooperating with Karin Ely, an artist originally from Germany and based in Hurghada, and her "Style & Steel" gallery. Items in the gallery include exclusive steel sculptures as well as paintings on canvas, inspired by the different cultures and backgrounds that Karin experienced in her many years of designing.

The exhibition at the Steigenberger Al Dau Beach Hotel was recently opened with an exclusive vernissage by Mrs. Ely and her husband, Mr. Peter Ely, German Honorary Consul to Hurghada, an event that was well attended by local Hurghada residents as well as hotel guests.

The gallery is located in the hotel's lobby, and all items are available for purchase through the elegant in-house Zawadi Boutique. The unique handmade pieces of the exhibition will be rotating every few months - so ensure you come back often and visit for inspiring designs.
